

Review of disability accessibility plan - December 2012

Information gathered during the year and how the information has been used

Questionnaire sent out by chair of governors (Nov 12)

- No responses received which indicates that we meet the needs of all our stakeholders

Discussion during meeting:

Cool2Care - no longer exist due to lack of funding

Recent purchases include:

- A range of fidget toys (Twiddles) used according to need and recommendation

Action plan:

- Need to address front door access for wheelchairs
- BSS working with pupils to develop positive attitude to learning and peers through the use of CBT techniques
- Haughton outreach and training
- BSS training for TAs
- New SEND pack shared as appropriate
- Information on parent's board to access Early Intervention practitioners to support a number of areas
- Maria Pugh to attend Art Therapy training
